

Pollrouter Surveys: Panel Book

Pollrouter is a global platform that connects individuals with researchers, enabling people to earn rewards by sharing their opinions, while helping researchers access engaged and diverse respondents across multiple regions.

1. Panel Composition

Pollrouter is actively expanding and includes members across key demographics, ensuring relevant sampling for a wide range of research needs. We focus on quality engagement, with frequent participant activity and regular profile updates.

2. Demographics Coverage

We support balanced access to major demographic segments, including:

- **Age groups:** teens, young adults, adults, and seniors
- **Gender:** male and female respondents
- **Income tiers:** from students to professionals, and high-income earners
- **Education:** from secondary school to postgraduate levels

3. Geographic Coverage

- Asia
- Africa
- Europe
- North America
- South America
- Oceania

See the [panel table](#) for more information.

4. Profiling Depth

Our panellists are profiled across dozens of attributes, such as:

- Technology usage
- Health and wellbeing habits
- Financial behaviours
- Vehicle ownership
- Travel frequency
- Parenting and household status

Custom profiling may be enabled via pre-screeners.

5. Recruitment and Incentives

Panellists are recruited through:

- Organic and paid digital channels
- Referral incentives
- Targeted outreach via trusted partners

Rewards include:

- Digital gift cards, prepaid cards, and e-vouchers
- Money via PayPal or bank transfers
- Charitable donations

6. Compliance

We adhere to global privacy standards:

- GDPR, ESOMAR, and CCPA compliant
- Transparent, consent-first data collection
- Double opt-in process
- Fraud prevention via IP/device screening and data quality checks
